Dear Sir:

In response to the Notice of Allowance dated December 10, 2007, Applicant has interpreted the Examiner's Statement of Reasons for Allowance as a list or partial recitation of specific elements of the independent claims that distinguish these claims from the applied references. Applicant submits that this list or partial recitation represents a paraphrase of these claims and that the claims themselves define the scope of the invention.

Application no. 10/647,832
Communication dated: February 25, 2008
Reply to Notice of Allowance dated: December 10, 2007

Additionally, other reasons for allowance apply with respect to independent claims 1, 13, 27, and 32. Accordingly, Applicant does not acquiesce to the reasons for allowance stated by the Examiner.

Respectfully submitted,

/Nathan O. Greene/
